Taste of Roselle 2018

Festival fans experienced one of Roselle's finest events, the 37th Annual Taste of Roselle! Our Bingo and Beer Tents continue to be popular attractions offering family entertainment and refreshing beverages.

Tents. Beverages and bingo cards were flowing, and entertaining bingo calling filled the Bingo Tent. Loads of thanks to over 150 volunteers with our special thanks to Bingo Chair Joe Salerno and Beer Chair Jay P. Mueller.

This event is a community effort comprised of many groups and organizations. We thank the Village of Roselle for their continued support as well as the Taste Commission for coordinating a top-notch event!

Last of all, and certainly not least, congratulations to the Scouts of Troop #408 for a job well done. These fine young men and their families offer annual services to assist with set-up and tear down in both tents.

If you were unable to participate, there's always next year!

Our success was possible due to the generous donations made by Chamber member businesses and friends of the Chamber. Please see page 3 for a list of this year's Bingo Sponsors.

Volunteers were tireless in their efforts from the time of set-up on Friday through tear down on Sunday. They met every need of our customers in both the Beer and Bingo

Letter from the President

We are now into what is called the dog days of summer. We catch ourselves staring outside from our places of work wondering why we have to work such long hours. If this is you, you should know that several studies find working less, but more effectively, can actually help you achieve more. In fact, working too much may actually be stunting achievement. High achievers like Teddy Roosevelt, Charles Darwin and Earnest Hemmingway, among others, only worked a few hours a day. While it is not suggested you go tell your boss you will be in at 8 and work until 10 or 11, it is good practice to get a good night's sleep, focus, don't multitask, take the break times given and if there is a chance, take a short nap.

The Village recently concluded another successful Taste of Roselle. And it is safe to say that none of the volunteers adhered to the above suggestions. A very big thank you goes out to the Chamber members Dr. Jay Mueller and Kevin Westlock who devoted so much time around the coordination of the beer tent, and John Dabrowski and our Chamber Director Gail Croson organizing the bingo tent. These people spent countless hours helping to ensure things went smoothly. And, it is always important to thank the many volunteers who sold beer or bingo cards. The Chamber is always glad it can participate in the Taste of Roselle.

This marks the end of the Chambers summer outdoor events. We now go back to monthly business meetings and after hour activities. The year always concludes with a Holiday Celebration the first Friday in December, which is the 7th this year. I sincerely hope to see you at our upcoming events. Enjoy the rest that summer has to give.
