Letter from the President

In my message from last month, we reported that the Chamber will host in-person meetings just as soon as we can. Since then, we've moved into Phase 4 of the Restore Illinois Plan making it possible to schedule some upcoming meetings.

On Tuesday, February 16, 5:30 pm we'll meet for our monthly Member Dinner at Spavone's Ristorante. Business After Hours will be hosted by Chris Bucaro of Rosario's Pizzeria and will feature Author Edward Izzi on Wednesday, February 24 from 5:30 pm to 7:30 pm. Be sure to reserve early as attendance is limited in compliance with Phase 4 guidelines. Registration links can be found within this eNews.

It's also time to start thinking about our Annual Golf Outing which is scheduled for Wednesday, May 12, 10:30 am at Bloomingdale Golf Outing. In the event we need to postpone, Wednesday, August 25 is being held as an alternate date at the same time and place. We ask you to reserve both dates in your calendar and watch for future announcements to determine when and how you can participate.

Outside of social activities, we offer programs designed to help keep your business in front of the community. Please scroll down through this entire newsletter to review services that are available to you, our member. They require very little of your time and remain free of charge during this challenging time.

I hope to see many of you during these activities and be sure to take advantage of our Member Services.

Your Online Chamber Account

The Chamber's website offers members an avenue to promote their business through the business directory, special offers, and assist in the search of employees.

Member Directory

Members receive a basic business listing in our searchable directory. This includes business name and location, products and/or services provided, and a link to the business website. The account dashboard allows members to update this information as well as enhance the listing by adding a logo or other image and a detailed business description.

Special Offers

Members may create promotions and upload them to the Chamber's site. A page dedicated to special offers will encourage visitors to view ongoing specials.

Job Postings

Members in need of help may post a job opening on the Chamber's site. Postings will be displayed until a request is made of the Chamber office for its removal.

Have you created your Chamber account?

If your account hasn't been established, please contact the Chamber office for assistance.

Promote your business on our Facebook Page!

The Chamber's Facebook page has grown tremendously over recent months and continues to attract new likes every week. Our posts include Chamber events, new member announcements, ribbon cuttings and much more!

Member specials are also posted. We'd like to kick that up a notch by offering members an opportunity to have a short video posted as our Member Spotlight of the month, a service free of charge. Videos will be reviewed by our office for approval and posted to the page on a first-come, first serve basis.

If you'd like to participate, please **email** the Chamber office with a subject line of "Member Spotlight" and include:

- A file containing your video message up to three minutes in length,
- A blurb promoting your business, perhaps a teaser to entice the visitor to view your message, and
- If you have them, provide your web address and Facebook page name for us to tag you.

We encourage all members to like **our page** and share our posts including your fellow-chamber Member's Spotlight of the month video.

eService

Do you have a special event or other announcement that you'd like to share with your fellow-chamber members?
