Letter from the President

Do you know a high school senior? To show our appreciation for the community, the Chamber is pleased to offer our scholarship program again this spring. The scholarships will be open to Roselle students, as well as children of our valued Chamber members. We will be releasing the application this month and awarding the recipients later this spring. We were blown away by last year's applicants and can't wait to see what is in store this year!

Additionally, to honor the late, great Maryann Grygiel we will be having a new scholarship in her name. In recognition of her years of dedication to so many organizations, it will be awarded based on demonstrated service to the community. If you are interested in supporting these very worthy students, it's not too late to make a donation to the scholarship fund. Please review options within this newsletter of how you can participate.

We've got several great events coming up this month, so be sure to check them out below. You should also soon be receiving information about our annual Golf Outing, mark your calendars for Wednesday, May 14th. Spring will be here before we know it!

Our company is a multifaceted business that operates with you, the customer, at the forefront of our day-to-day operations. We are well known and respected in the community and our philosophies are based on both honesty and integrity. As a client-centered business, you will receive personal service and be backed by a reputable company. We implement multi-level marketing strategies that benefit our clients with every transaction. Our real estate agents have extensive access to information about the communities in which they deal. This includes, but is not limited to schools, populations, recreation, entertainment, home values, growth potential and surrounding areas. Many agents live in the areas we serve and therefore can more accurately overcome potential obstacles and focus on the unique needs of our clients.

Showcase Your Business!

As a staple, our calendar provides for a Business Before Hours or a Business After Hours event on the fourth Wednesday of the month which are hosted by member businesses.

Would you like to host an event?

Our partnership begins with the Chamber posting your event in our online calendar followed by an invitation to the membership. Reservations will be collected by our office and reported to you as we get closer to the event date. At the event, a Chamber provided Ambassador will greet and provide name badges for all attendees.

As our host, there are many elements to consider in preparing for a successful event which include:

- offering a variety of complimentary warm and cold appetizers,
- complimentary beverages to include wine, beer, pop and water (mixed drinks optional),
- contributing item(s) for raffle drawing, and
- providing a Greeter Table near the entrance for a Chamber Ambassador to register guests and collect their business cards for the raffle.

This is a terrific opportunity to bring potential customers into your business while at the same time offering fellow-Chamber members a networking venue

If you'd like to host a Before or After Hours event, please contact:
